**I. SIGNIFICANT ITEMS**

Nothing to report.

**II. OTHER ACTIVITIES**

1. [ ] again on 18 July to discuss in detail the responsibilities which he will assume in the Moscow - Peking Axis and JOT programs. Although he is not scheduled to EOD until 1 September he has begun work on several lectures and on the selection of appropriate reading materials in the Chinese field. [ ]

2. I met with [ ] for three hours on 21 July to brief him in detail on SIC's staff and programs and to sound out the extent of his desire to participate as a teacher. At this stage he preferred not to commit himself in any way, but plans to audit as much as possible prior to the beginning of the JOT program. I also mentioned to him the possibility of his being present at the 1 August D/TR's staff meeting, on which point he will await instructions from the D/TR's office.

3. We have now reached the point in our JOT program planning of having completed a first draft of the detailed schedule, including the insertion of exams, problems, demonstrations, and seminars. We have held two sessions with [ ] to begin coordinating our planning with A&E's requirements and to get the benefit of his comments on our proposals
